MinJun Huang

London | huangminjun1@gmail.com | behance.net/minjunhuang1 | Right to work in the UK

PROFILE

UX/UI designer with an MSc in User Experience Design and a BSc in Digital Media. I work across research, wireframing, prototyping and visual design, and I am looking for a junior UX/UI role in London.

SKILLS

Tools	Figma, Photoshop, Illustrator, Miro, Canva
Design	User research, wireframing, prototyping, visual design, design systems
Languages	English (fluent), Mandarin (native), Cantonese (native)

PROJECT

Greener Gamified urban green space app, MSc project — 2026

- Designed an app that turns looking after local parks into small tasks of two to five minutes.
- Ran interviews and two rounds of usability testing with two participants each, and changed the task flow after the first round.
- Designed a three step verification flow (on site photo, GPS match, manual review) so users can see each check happen.
- Built the design system and reusable components in Figma and applied them across the whole app.

EXPERIENCE

Kitchen & Bar Team Member, Everyman Cinema, Baker Street — Apr 2026 to present

- Make drinks, take orders and prepare food for cinema guests.

Food & Beverage Assistant, 67 Pall Mall (private members' club) — Oct 2025 to Mar 2026

- Served members and guests at a private members' club.

Junior Designer, Shenzhen Pro Fashion Co. Ltd. — Feb 2023 to Aug 2023

- Designed posters and marketing materials for the company.

EDUCATION

MSc User Experience Design, Kingston University, London — 2024 to 2025

BSc Digital Media, Guangzhou College of Technology and Business, China — 2020 to 2024
